SKILLS

- Web development
- MERN stack
- Team Work
- Verbal & Written Communication

LANGUAGE

- English
- Bangla
- Hindi

PROFESSIONAL PROFILE

I am a full-stack web developer but comfortable with the front-end.
I provide front-end development solutions using React and Next js, which includes MongoDB, Express JS, and Node.js. I also have experience and skill in cross-platform mobile development with React Native, which is part of the MERN stack ecosystem.

WORK EXPERIENCE

Frontend Developer

Jan 2023 - Mar 2024

Effectively I have served my services to many clients locally, I have accomplished a bunch of projects that related to representing profiles and businesses. As I worked on the projects were bridges with the customers of my clients.
